

# Home of the Eagles

Monday, May 11, 2020

Dear East Williams Parents and Families,

This spring is developing in unprecedented ways and we are all manoeuvring in new territory. Who would have thought that things would unfold this way!

I would like to thank all families for their continued flexibility and care as we continue to learn how to Learn at Home. It has been a huge undertaking to shift all of your routines and everything you do to this new way. We all understand that each family has a unique situation. It has not been easy for anyone, and I thank you for doing the best you can.

As we deployed technology, learned how to communicate, and created a classroom in the virtual world, the East Williams Staff have risen to the challenge. Each staff member is working to support students and make this experience the best it can be. I am so appreciative of our team that has continued to work together to creatively support student needs.

We also want to know how you are doing. Please make sure you are giving teachers some feedback so that they can make sure they are giving appropriate content and amounts of work. TVDSB has announced that grades will be based on marks up to the March 13th date. We do want all of our students to focus on the key learnings to prepare them well for their next grade but know that distance learning is very difficult for some. We care so much about your well being!

We miss you all and cannot wait for when we can return together again!

Stay safe, keep your distance, and wash your hands 

*Mrs. Young*
